
Notice of Upcoming Institutional Biosafety Committee Meeting

University of Arizona

Meeting Date: October 13, 2023

Time: 9:00 AM AZ

If a member of the general public wishes to attend, please contact the administrators of the Institutional Biosafety Committee at cbsTeam@clinicalbiosafety.com or call Ceasar Ramirez at 520-626-5869 (Regulatory Contact for the IBC), for information on attending the convened meeting.

Section IV-B-2-a-(6) of the *NIH Guidelines for Research Involving Recombinant or Synthetic Nucleic Acid Molecules* states:

When possible and consistent with protection of privacy and proprietary interests, the institution is encouraged to open its Institutional Biosafety Committee meetings to the public.
