

## **Arizona State Law**

For your reference, this is a list of Arizona statutes that may impact or inform human research activities. This may not be an all-inclusive list. You are required to know what laws, rules, and regulations may apply to you as a researcher, as well as those that may apply to your professional license.

To review the full statute, please go to: <a href="https://www.azleg.gov/arstitle/">https://www.azleg.gov/arstitle/</a>

The HSPP does not make determinations on the applicability of state statute.

The applicable statutes have been divided into the following general categories:

- 1. Records: Medical records, release, confidentiality, retention
- 2. Genetics
- 3. Abuse, neglect, assault, mandatory reporting
- 4. Clinical Trials
- 5. Mental Health/HIV/Other Confidential information
- 6. Embryos/Fetus/Surrogate
- 7. Minors
- 8. Prisoners
