Public Notice of Upcoming Institutional Biosafety Committee meeting for University of Arizona (HGT)

Meeting Date: October 31, 2022
Time: 12:30 PM Arizona Time

Section IV-B-2-a-(6) of the NIH Guidelines for Research Involving Recombinant or Synthetic Nucleic Acid Molecules states: When possible and consistent with protection of privacy and proprietary interests, the institution is encouraged to open its Institutional Biosafety Committee meetings to the public.

If a member of the general public wishes to attend, please contact the administrators of the University of Arizona (HGT) Institutional Biosafety Committee at cbs@clinicalbiosafety.com or by phone to Jimmy Spencer, Regulatory Contact for the IBC, at 520-626-5004 for information on attending the convened meeting.
