

# BUILDING FROM WITHIN:

**Leveraging internal expertise and building institutional capacity for women's health research.**

**Save the date for an exciting university-wide collaborative workshop on women's health research**

**JANUARY 25, 2024**

Join us to harness local expertise, align priorities, and foster collaborations at the University of Arizona, propelling women's health research through the creation of the Scientific Hub for Empowering Research on female health Advancement (SHERA). This event will feature keynotes, data blitzes, priority setting, and networking.

**You may reach out to us at [shera.research@arizona.edu](mailto:shera.research@arizona.edu)**
